Questions?

Please contact Tri-City to reserve your party or if you have any questions about tennis birthday parties at Tri-City Fitness. Tel: 518-785-4311

You're Invited!

Tri-City's Tennis Birthday Parties are perfect for children ages 4 and older. Groups with children of various ages and tennis skills are easily accommodated. At the party, children will participate in tennis activities appropriate for their age and experience. Our tennis coaches will provide supervised fun.

Party Time

Parties are booked for 2 hours. During the first hour, party-goers will be on the tennis courts. The second hour will take place in the party room for food and gifts. Parties may be scheduled on Saturdays and Sundays. Please call for times and availability. We want each child to have lots of turns to play tennis, so parties are limited to 16 children. Two courts will be assigned to the party, and two experienced coaches will be on hand to lead the games and fun.

Food & Treats

Hosts may bring any food that would be appropriate for their guests. Pizza delivery is a popular choice, but of course, the menu is up to the host's discretion. Cake, ice cream or other desserts are also welcome. Let the staff know if you need to keep any items in the fridge or freezer until it's time to eat.

Set-Up

The host family must check in at least 15 minutes prior to the start of the party, but may arrive up to 30 minutes before party to begin setting up. The party host must provide food, drinks, and any other party supplies desired. Helium balloons should be weighted down. Piñatas are not allowed.

Ready to Play

Be sure your guests know that they should dress to play tennis.

- Clothes should be appropriate for exercise
- Sneakers must be worn, preferably those with non-marking soles

Deposit & Payment

Parties booked for Tri-City members are \$150. Non-members will pay an additional guest fee of \$50. A deposit of \$50 is required at the time of the booking to ensure that the space is held. We accept cash, checks, and credit cards (Visa, MC, and Discover).
